Description: The best-selling classic that helps children thrive today and experience a special future tomorrow. Now revised, updated, and enhanced for a new generation! Children of every age long for the gift of “the blessing” — the unconditional love and approval that come from a healthy relationship with their parents. This life-changing gift, essential for instilling...

Review: This book is helping me understand some of my own issues; the underlying reasons. What a powerful book for any parent on how to raise your children and what you should give them emotionally leading up to them leaving home and doing life in the real world. I would recommend for all parents and also for people like me that missed the blessing and had...
